### **Holiday Safety Tips from the Jackson Police Department**

The Holidays are fast approaching! During this time of year remember to take steps to improve your safety. It is a busy time but slow down and take steps to avoid unnecessary problems. Especially be careful when driving during times like Halloween when children and their parents are walking near the roadways. Parents, make sure to carry flashlights and have reflective clothing. Many of you travel during this time of year-have lighting around your houses and consider installing cameras, especially entrances to your house, to minimize break-ins. Christmas brings its own concerns with Christmas lights. Use grounded lights and ensure that your tree is watered and away from flames. **We wish you a Happy Holiday Season!**
