The Jackson Youth Sports Board is very excited that you have decided to allow your child to participate in the recreational baseball program this year.

We are striving diligently to provide the best program we can. With this in mind, there are a few things we are implementing to enhance the experience that your child will have here.

We need every player to understand several basic rules that must be followed and we would appreciate you reinforcing these rules as well.

1. There will be no profanity tolerated by players.
2. All players are expected to respect their coaches and teammates.
3. No players will be allowed to leave the field without the approval of their coach.
4. All players will display good sportsmanship at all times; win or lose.
5. No players will intentionally try to cause harm to others.
6. All players are expected to attend practices and makes effort to be on time.
7. Proper attire will be worn to practices and games.
8. We want all players to have fun, and improve their baseball skills.

Lastly, it is important that all parents and coaches set forth examples for our players to follow. Together we will have an outstanding baseball season.
