

TOWN OF JACKSON UPCOMING

BUS TRIPS

We have some exciting trips planned for the Community Bus this year and hope you will find a few in which you would like to be included! Details will be posted on the town website, as they become available or you may inquire at Town Hall.

Please visit the site for all upcoming community events. We ask that you please take the time to give us your feedback on the trips planned or what trips you would like to see on the schedule. This is a community service intended for your recreation and enjoyment. Help us to conform the events to your preferences. Contact information is below.

The Community Bus program is a volunteer staffed service. Drivers with a CDL license (or drivers willing to obtain one) that would like to drive the bus, on occasion, are greatly needed.

Volunteers wishing to be a part of the bus committee or planning of the trips are also welcome! If you would like to join the team, please contact one of the committee members.
